

'TO PROTECT & SERVE

OR: 'THEY ALWAYS GET
WHAT THEY DESERVE

a play by James Domine

A beautiful, romantic and true (mostly) story of crooked cops, corrupt public officials, criminal gangs, social chaos, prostitution, drug abuse, illicit deals, bribery, chicanery, and drunken buffoonery, all woven into a delicate tapestry of love and tenderness and the ultimate sacrifice of self-immolation in an accidentally inadvertent suicide.

Performance dates are Friday and Saturday nights:

October 14-15, 21-22, 28-29

at the **Dorie Theater** in the Complex Theatres Center

6476 Santa Monica Boulevard, Hollywood
